Ok. I'll include you both. Yes, I think letting him know about all the various panels will be part of the first briefing. I'm thinking explanation of what it is, state of the science, state of the policy, litigation history, the panels and EPA's representation. The second briefing will be more programmatic. Attorney Client / Deliberative Process / Ex. 5 I've attached the briefing paper we just used for HQ, in case you're interested. Thanks.

Yes, we've been active in the MRAC and that should be part of the first (or second?) briefing.

Hi Linda,

We just had another briefing with HQ, so I'm working on getting something scheduled now. We decided, based on the feedback that we got during our briefing, that it might be best to have 2 separate briefings a couple days apart. The

first would be a general OA overview and the second would be about Oregon specifically, so it wasn't too much all at once. I'm filling out the paperwork now. I think for the first one it will be just Rochelle, Cheryl Brown, Lori Cora and I. Dan didn't think he needed to come to that one. Did you want me to include you? Just let me know. Thanks.
